NEW BUSINESS;

-
1. Tim Diamond attended the meeting to give us information on the new building being built and on the use of the facilities we rent. He was questioned as to why our freezers were shut off and items we had in them thrown away. He stated he was looking into why our Nipsco bill was so large and was trying to see if they affected the bill. He stated that's there's a transformer on the property drawing electricity possibly causing the influx in our bill. Waiting to hear from Tim about what the outcome of this was.
 2. Fire extinguishers will be changed in all our buildings by the town. We were asked to remove anything left in our fields.
 3. Brian Jennings reached out to GYB about the coaches clinic and Kids Field Day. Dates need to be set.
 4. Contact the town about setting up a possible Movie Night in the park sponsored by GYB.
 6. April 27 games start
April 18 and April 25 will be Clean up and Swap day.

ADJOURNMENT:
