OLD BUSINESS

1. Kyle met with town officials to discuss improvements for the field. We're waiting on quotes from the company the town would like to use if the improvements are approved.
2. What equipment is purchased will be determined by what happens with the fields. Cheap equipment if the town doesn't approve the upgrades. If fields are improved, better (and most likely more expensive) equipment will be needed.
3. Kyle still working on AED options.

NEW BUSINESS - NA

ADJOURNMENT: Meeting Adjourned at 6:45pm. Next Meeting March 2nd at 6:30pm in the Franklin Center.
